

Entertainment/Stage Application

Application Deadline is March 31, 2012

We are excited for the third annual FamilyFest event scheduled for Saturday, July 28, 2012 at W.H. Lyon Fairgrounds in Sioux Falls, SD! This event is focused on providing all the information families need to Play, Learn & Grow. Along with the kids fun zone activities, splash zone, trade show and exhibitors booths we are offering stage entertainment throughout the event. With 25,000+ people in attendance in 2011 we are expecting to grow even more for 2012. While our entertainment budget is small, we welcome local entertainers to come and showcase themselves at our event. To be considered at an entertainer, please fill out the form below. Applications will be juried; considerations will include: returning entertainers from 2011, order in which applications were received, Experience & fees if any. Any questions, please call Brooke 605-332-6000 ext 18, or Brooke@BlackIncEvents.com.
